

CHANTELLA

Length: 27.29 metres (89' 6")

Beam: 5.80 metres (19')

Draft: 2.8 metres (9' 2")

Number of Guests: 8

Number of Crew: 4

Built: 1966

Refit: 2019

Builder: Chantiers Naval d'Antibes

Flag: British

Hull Construction: Wood

Hull Configuration: Displacement

Air conditioning, Stabilisers at anchor, Stabilisers underway, WiFi connection on board

Built in 1966 with a mahogany hull, this is a classically designed gentleman's style yacht. However, it's been kept up to date with some excellent refit and maintenance work, such as, having zero-speed stabilisers fitted, brand-new and economical engine replacements and constant care of the hull and paintwork, the owner is constantly investing in the upkeep of the yacht.

The vast majority of the interior has also been replaced, with all new wood panelling and ceilings, new carpets and soft furnishings keeping the classical looks throughout, but providing a fresh look to the yacht.

The 4 cabins onboard make this a perfect family yacht, with 3 double cabins and 1 cabin with 2 single bunk beds, comfortable for children, but can also be suitable for adults.

The salon provides a dining table that can seat up to 10 guests, along with a lounge and bar area.

Moving outside, the table on the aft deck can be arranged to seat 8 guests with additional seating at the aft of the yacht.

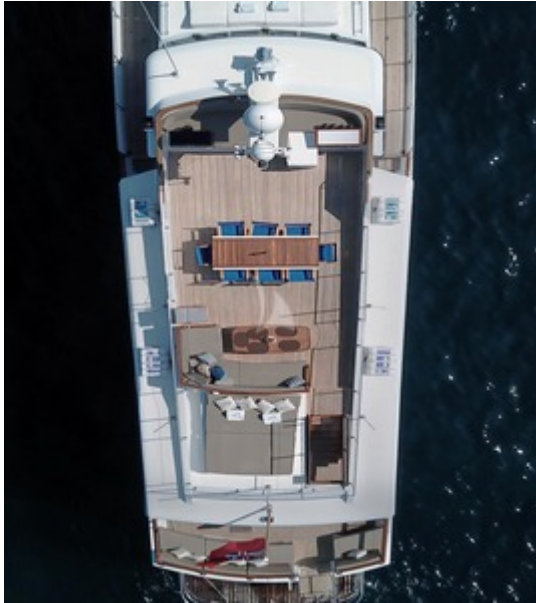

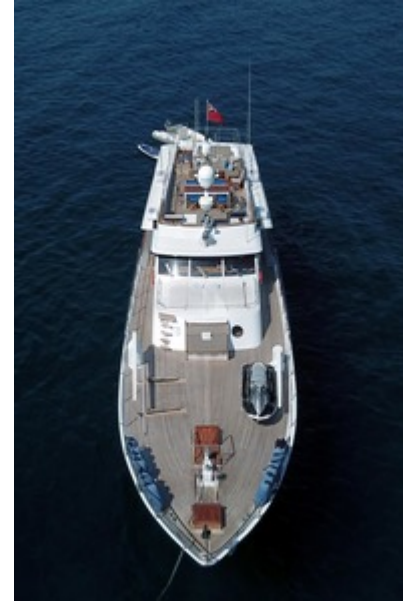

The sundeck provides a large area for lounging in the sun, having a BBQ with a dining table that can seat 10 guests, or hosting an event. There is ample sunbathing space, due to an extension on the sundeck and if you get too hot and need a little protection there is a bimini shade that can be erected.

On the foredeck in front of the bridge is where Captain Tristan says guests love to spend time whilst cruising, lounging on the large cushions here. When at anchor, and the toys are in the water, the foredeck opens up to provide another large space for guests to enjoy.

The 4 crew onboard know the boat very well and provide a great charter service for guests. Captain Tristan has been onboard for 6 years as Captain, having been promoted from deckhand previously.

KEY FEATURES

- 1** Longstanding charter crew
- 2** Very economical - 150 litres per hour at 15 knot (65 litres per hour at 10 knots)
- 3** Zerospeed Stabilisers fitted
- 4** Excellent family yacht
- 5** Great exterior client spaces for sunbathing
