Air conditioning, Stabilisers at anchor, Stabilisers underway, WiFi connection on board

---

'Piola' is a beautiful and elegant Ferretti 83' which combines comfort and speed, distinguishing her from other yachts of her size. She presents large viewing windows allowing lots of light to enter the yacht's interior and a rebuilt tile shower in the Master and VIP cabins. She also features two spacious twin cabins and an additional pullman berth in one of the twin cabins. Everything in the interior is very well maintained. The hoteling of the yacht is new and in earthy colors. Piola has a strong Wi-Fi and her audiovisual system has a library of movies and a Google music play list, dock pod stations. Guests will enjoy her great variety of water toys . Piola also presents

an electric swimming platform that goes all the way to the water. It's worth mentioning that the yacht has 2 stabilizers! That offers a very stable cruise and very stable berth as well. The all-year round crew of four is really amazing, very polite, hard-working, experienced and professional! Captain Kostas is onboard since 2017! He is a master diver and accompanies guests to their snorkeling experience. The Chef is very creative, cooking all cuisines. The Stewardess pays great attention to detail and is very kind and smiley. Sailor Apostolos is the energizer who never stops cleaning the exterior, assisting with water toys and is willing to help everyone. The crew is a great team and guests will have an unforgettable cruising experience onboard Piola!
