Air conditioning

Riviera is a new version of the very popular Alalunga 78 fly boasting tasteful and refined interiors courtesy of the young designer Alessandro Vescia. Modern, fast and luxurious, Riviera offers accommodation for up to 9 guests in four wonderful cabins located on the lower deck. Both the master and the VIP suite are full-beam, this means they're very spacious, light and airy. One of the two twin cabins offers an additional Pullman bed; All cabins have en-suite facilities and flat screen TV.

On the main deck, a beautiful salon offers ample space to relax on two sofas and a separate formal dining area. On the

foredeck a spacious and perfectly equipped galley allows our chef on board to cook delicious meals and the bridge deck also include a sofa with a coffee table to enjoy the navigation.

Riviera also boasts expansive deck space: on the aft deck there is a beautiful alfresco dining area while on the foredeck a beautiful solarium is ideal for sunbathing. But the very cherry on top of this wonderful vessel is the fly bridge that hosts a second helm station, a large sun-pad and a wetbar with a dinette and a barbecue grill.

The wonderful MY Riviera, with her polished interiors, her ample deck spaces and her top speed of 35 knots, will safely and comfortably transport her guests for incredible journeys at the discovery of the breathtaking Mediterranean coasts.

On board equipment: LCD color TV in every cabin, retractable color TV 42" plasma in the salon, CD / DVD and Sky Decoder in all cabins. Bed-linen, towels, bathrobes and tablecloths by BELLORA.
