Air conditioning, Stabilisers underway, WiFi connection on board

---

Shangra is a beautiful 26,6 meters navetta featuring a classic and elegant design.

Access from the main deck goes through a beautiful outdoor dining area, and then continues into the main salon with a lounge area including sofas and a TV and, further, a separate indoor dining area. The kitchen is really wide for a yacht of her size and allows the crew to prepare elaborate culinary creations and to perfectly manage the refreshments service.

The lower deck houses the sleeping area divided into: a master cabin with a large double bathroom; a VIP suite with private bathroom; one twin cabin with separate beds.

Note that an additional fourth cabin with bunked beds is available only upon request or for special occasions. All cabins are equipped with ensuite facilities.

The most enjoyable outdoor area of the yacht is definitely the sundeck, equipped with solariums, an additional outdoor dining option for 12 and a kitchenette with wetbar and grill. Thanks to high quality Naiad stabilizers, Shangra guarantees a quiet and pleasant cruising.
