TO ESCAPE is an irresistible Ferretti Altura 690 which offers more space and amenities than many other yachts of her size. The main salon is divided in two different parts, a sitting area with U-shaped sofa accommodating up to 8 guests, and a dining area with a table for 6. Walking down to the lower deck, TO ESCAPE offers 3 double staterooms: the master is located at the aft and has a large window with a view on to the swimming platform, The VIP is situated forward and the guest stateroom amidships. Each stateroom has en suite shower

facilities.

TO ESCAPE's exterior offers 3 "al fresco" areas for dining or those sunset cocktails! Sun lovers will enjoy the large sun beds located on both the foredeck and flybridge.

With the hydraulic swimming platform which raises and lowers this gives great access to the sea and a fabulous area to use the water toys.

This summer, TO ESCAPE imposes herself as one of the best options for small groups willing to experience the Côte d'Azur in style!
